### H150 Streaming Amplifier

The H150 is HEGEL's most impressive value proposition to date. They have nicknamed it the Prodigy because, while being entry level, the H150 displays a level of performance and versatility usually reserved for far more expensive models, showing talent well beyond its price point.

**\$5,745**

### H190v Integrated Amplifier

The new Hegel H190v builds on the success of the H190. In fact, the Hegel H190v can be described more as a kind of all-in-one, if you mainly listen to streaming music. With the built-in streaming module you are immediately ready for business after connecting a set of speakers.

**\$7,395**

### H400 Integrated Amplifier

The Hegel H400 amplifier, affectionately nicknamed Streamliner, is a masterpiece of streamlined design and performance, engineered to deliver exceptional audio quality while maximizing efficiency and enhancing the user experience. Whether you are an audiophile or a casual listener, the H400 promises a remarkable listening journey.

**\$12,995**

### H600 Integrated Amplifier

H600 is Hegel's reference integrated amplifier. With its 303 watts in 8 ohms, a damping factor of 4000, and 2 ohms drive capability, this powerhouse of an amplifier can drive any speaker with confidence and ease. This amplifier reveals all the details and nuances in the music. All you have to do is connect a pair of really good speakers of your choice.

**\$20,995**

### D50 "The Raven" DAC

At first glance, the D50 appears understated. No flashy details or unnecessary features distract from its purpose. Like the raven, it may seem plain, but this DAC is a master of its craft. Whether you choose to focus on the smallest nuances or simply let the music carry you, the D50 offers an unparalleled listening experience.

**\$9,795**

### Viking Premium CD Player

The Hegel Viking is a top-of-the-line CD player designed to deliver the most faithful sound reproduction possible. With its mechanical design, advanced digital technology, our unique Master clock system, and superb analog stage, Viking is a must-have for any audiophile who wants to experience music in its purest form.

**\$8,995**

Active Noise Cancellation

The iFi PowerStation is for everyone who likes their audio interference free. Put a stop to RFI or EMI noise and enjoy pain-free audio.

**\$1,199**

No loudspeaker manufacturer can claim a richer heritage than Wharfedale.

Founded in 1932, the company's legacy includes the invention of many technologies still commonplace in the speaker designs of today.

**W** WHARFEDALE

**Denton 80**  
Bookshelf Speakers

The Denton 80 is a classic, bookshelf two-way speaker. Beautifully crafted with hand veneered Walnut or Mahogany, an inset front baffle and traditional Tungsten cloth grille, the Denton 80 is a classic update of the original speaker. Available in Walnut or Mahogany.

WAS \$1,599  
**\$1,399**

**W** WHARFEDALE

**Denton 85**  
Bookshelf Speakers

Wharfedale is proud to present this 85th Anniversary Edition of one of the brand's most famous and popular loudspeakers – the Denton. Denton 85th Anniversary is a two-way speaker in the classic bookshelf tradition, beautifully hand veneered in Mahogany by Wharfedale cabinet makers with an inset front baffle and traditional Tungsten cloth grille.

Available in Walnut or Mahogany.  
WAS \$1,999  
**\$1,699**

**W** WHARFEDALE

**Super Denton**  
3-way Bookshelf Speakers

Wharfedale's new Super Denton is part of Wharfedale's Heritage series, based on classic designs from Wharfedale's past but brought right up to date with modern drive unit, cabinet and crossover technology. The new Super Denton takes the 'Super' aspiration to a new level and brings back the classic 3-way design of the Denton 3.

Available in Walnut.

WAS \$2,499  
**\$1,999**

**W** WHARFEDALE

**Linton Heritage with Stands**  
3-way Standmount Speakers

The new Heritage Series Linton has a clear family resemblance to the classic Linton. It, too, is a three-way standmount model – a rarity in the modern era – retaining similar proportions to the classic Linton models. Its wood-veneered cabinet has a vintage look, yet the standard of finish is distinctly contemporary.

Available in Black or Walnut.

WAS \$2,999  
**\$2,499**

**W** WHARFEDALE

**Super Linton with Stands**  
3-way Standmount Speakers

The new Heritage Series Super Linton is the latest iteration of the classic Linton speaker by Wharfedale, known for its beautiful styling and exceptional sound performance. The Super Linton takes one step further in engineering and performance in almost every respect.

Available in Black, Walnut or Mahogany.

WAS \$4,999  
**\$4,499**

**W** WHARFEDALE

**Aston with stands**  
90th Anniversary Limited Edition  
Standmount Speakers

The Wharfedale Aston Speakers represent a remarkable milestone in audio design, developed as a limited-edition model exclusively by renowned British designer Peter Comeau. With over 40 years of experience, Comeau has crafted a speaker that combines both classic and modern British design elements.
